TIMELINE

About us

The company formed in 2009 with team of highly skilled, passionate and self motivated young architects and civil engineers with varied and innovative ideas. We strive to develop quality, cost effective and innovative designs. We are a full-service dedicated firm to providing end to end solution space planning, fabrication, installation, cost evaluation and related services.

Our commitment is our strength, right from conceptualizing ideas to bringing the project into reality we are focused to achieve our goals on Cost, Time and Quality. We are driven by passion and powered by intellect.

WE BELIEVE:

In Honoring our Commitment to our Clients.

Our Mission

Making Dattatreya Enterprises as the One stop solutions in Retail sector / Modulars & Wardrobes.

SINCE WE ARE:

- Committed to innovative creations and meeting customer's trust and satisfaction.
- Committed to best of the quality in the industry.
- Committed strict adherence to completion & delivery schedules.
